

CONSULTNET

Delivering expertise and empowering
engineering performance for the
Biomedical Industry

What Sets Us Apart

For over 25 years, ConsultNet has helped biomedical and medical device companies build high-performing engineering teams that drive innovation and keep critical projects on track. We understand the industry's unique regulatory, technical, and time-to-market pressures, especially amid evolving product demands and talent shortages.

That's why we deliver experienced professionals who integrate quickly, minimize downtime, and accelerate R&D and commercialization. Many of our clients go from **interview to hire in just 7 days.**

Highly skilled engineering experts for mission-critical initiatives.

Worldwide network of specialized recruiters to ensure rapid, scalable, and precise talent sourcing.

25+ years of proven success embedding advanced engineering + tech professionals into high-impact teams.

Onshore and nearshore teams, with access to top tech talent from our Mexico-based center at 40–60% lower cost than local rates.
